

## NARBERTH HIGH SCHOOL COMMENCEMENT WEEK

ANOTHER SERIES OF INTERESTING EVENTS ADDED TO LOCAL HISTORY—BACCALAUREATE SERVICE—JUNIOR AND SOPHOMORE RECEPTION—AWARDING OF ATHLETIC HONORS—CLASS DAY—ALUMNI REUNION—COMMENCEMENT AND SENIOR FAREWELL PARTY.

A happy vacation to everybody! After the strain and excitement of Commencement Week, a few cool days for rest and reflection are most welcome. It was a gay week—full of the joy of completed endeavor and tinged with sadness of parting.

Another school year is recorded in the history of Narberth High. Possibly no year has been so full of the unexpected. Sickness and death laid its hand upon the faculty. The schools were closed in the fall by order of the State Board of Health. But handicaps are often blessings in disguise.

The principal and faculty considers that this year, upon the whole, has been a most successful one. All over the country there has been a cry from school authorities that the morale of pupils has been below par. Strikes, walkouts, truancy, profanity, vulgarity, theft, and above all, defiance of authority, have been commonly reported. Narberth has fortunately had an unprecedented year of good deportment.

Pupils and patrons react to the devoted efforts of the School Board and faculty. Our School Board endeavors to procure teachers who have few peers. Such teachers deserve the kindness that happily is shown them by Narberth citizens.

It is unfortunate that it is difficult, if not impossible, to procure comfortable living conditions for all of the teachers. Many have enjoyed the comforts of Narberth homes. Why should Narberth not see that all of its teachers live comfortably? Each summer the principal tries to find boarding and rooming places, but at the opening of school finds several teachers unaccommodated.

With the exception of the above referred to condition, Narberth is an ideal school town. All of the teachers are attached to our "Home Town." They are glad to get to their homes now, but they'll be glad to return. May they and the new teachers find a cordial welcome!

Baccalaureate—Sunday, June 15, 1919. Commencement Week was formally opened on Sunday evening by the baccalaureate service. This was a most

delightful and helpful beginning of the full week for the school people.

A union service in honor of a graduating class is not common. The spirit of the church authorities was certainly manifest.

The exercises were held in the Presbyterian Church, Rev. Gray presiding. Rev. Van Ness read the Scripture Lesson and led in prayer. The lesson was the great Love Chapter, the 13th of 1st Corinthians. No chapter is as often read in High School assembly as this one.

The class sang Tennyson's "Crossing the Bar" and the 23rd Psalm.

Rev. Demmy delivered a most practical and forceful sermon on the theme, "Life's Divine Endowments," 2 Tim. 1: 6-7. In part he said:

God has endowed each of you with great gifts and unlimited possibilities. The purpose of this school has been their development.

Stir up the gift of vision. It is the measure of one's usefulness. It compels effort to make the dream real. Every great achievement began in the land of dreams. Vision means power.

Stir up the gift of choice. You cannot succeed in trying to do everything. Jack of all trades is master of none. Better be a fifth rate something than a first rate nothing. A misfit for life's work means failure. Find the work for which your particular gifts have prepared you.

Stir up the gift of soul. Put your heart into your task. The day your enthusiasm dies you are defeated. Nourish your soul at the fountain of all inspiration, Jesus Christ. Liquid fire is invincible. Keep the fires of your soul aflame, for spiritual powers are a thousand times more invincible. You are

## THE FIRESIDE

Union twilight meetings will begin to-morrow evening.

Twenty-one students were graduated from the Radnor High School at the commencement exercises held at Wayne last Saturday evening.

John F. Keator, Jr., of Germantown, and Henry C. Howes, Jr., left Monday, the 23rd, for a two-weeks' automobile trip through the White Mountains.

Llanerch Fire Company held a strawberry festival on June 26th, on the lawn adjoining the fire house. The fire company will hold its annual fair late in September.

Elaborate preparations are being made for a rousing patriotic meeting at the union twilight services on Sunday following Independence Day, July 6. Rev. John Van Ness will speak on "Christian Patriotism." A special chorus of singers from all the churches will sing.

Not everyone can act with their feet, but Mary Pickford does this convincingly in her latest and best photoplay, "Daddy Long Legs," to be shown next Wednesday and Thursday at the Palace Theatre, Ardmore. "Daddy Long Legs" is a sure fire comedy, without a dull moment, presenting America's Little Sweetheart in the best picture of her career. This charming comedienne in clever character comedy causes the many thousands to cast away care and converts cross and crabbed cynics into cheerful companions.

## Main Line Canning Club

For the season of 1919 the Main Line Canning Club will be operated in connection with the Main Line Community Kitchen.

Headquarters will be at the Wynnewood School Building, Lancaster avenue, Wynnewood. A new and competent manager has been secured for the combined enterprises, Mr. Shipley Brown, who has had wide experience along these lines.

The Community Kitchen is an enterprise designed to solve the present acute problem of domestic service. By serving well cooked hot meals directly to the home it eliminates the labor of cooking, but retains the privacy of the home table.

The Canning Centers, originally opened for the purpose of food conservation, have proven too valuable to be abandoned.

By paying the membership dues (\$1) members are entitled to use the canning kitchen, now at the Wynnewood School, for their own canning, or may send fruit and vegetables to be canned at a nominal charge per jar.

Further particulars may be obtained by calling up headquarters, Ardmore 43-W.

\$25,000 FOR BRYN MAWR.

Nearly \$20,000,000 is bequeathed in specific bequests to religious and public charitable institutions and about \$200,000 to family relatives by the will of Miss Harriet Blanchard, who died June 2, at her home, 1511 Walnut street, Philadelphia, in her eighty-sixth year, and who was distinguished for charities throughout her lifetime. Among the bequests is one of \$25,000 to Bryn Mawr College.

## HAVE YOU ENTERED FOR THE BIG FOURTH OF JULY TENNIS TOURNAMENT?

BE SURE AND SEE A MEMBER OF THE TOURNAMENT COMMITTEE.

An exceptionally interesting program has been arranged by the Tournament Committee of the Narberth Tennis Association for the annual Fourth of July Tournament. Playing will start on the morning of Friday, July 4, and continue all day, and carry over to the next day, Saturday, the 5th. As many of the city's business places will be closed all day on the 5th, it is hoped to play a number of tournament matches on Saturday morning as well as in the afternoon. In this way the Tournament Committee believes it will be possible to complete the tournament in the two days.

A special feature will be three exhibition matches of singles, by members of the Association who are voted to participate in this extra event. Two of these matches, it is planned, will be run off on the Fourth—probably one in the morning and one in the afternoon, and the winner of each match will be scheduled to play on Saturday afternoon.

The manner of selecting the players in these exhibition games will be as follows: Each member entering the reg-

ular tournament will be asked to hand to the Tournament Committee at the time he agrees to play in the general event a slip of paper on which he will have written the names of the four members of the Association that he would most like to see play in the exhibition matches. After all the entries are in the committee will tally up the votes and the four members receiving the largest number of votes will be the exhibition players.

The tournament proper will be for men's doubles only. Entrance fee for each play will be twenty-five cents. All entries must be in the hands of the Tournament Committee, which consists of Chairman Newell and Messrs. Philler and Staples, before 8 o'clock Thursday evening, July 3.

The committee is anxious to make the Tournament a big success, and all members are urged to enter the contest. If you haven't a partner, get one; there are a number of members who haven't teamed up with any other players thus far this season, and it is hoped that the entire membership will be represented in the tournament playing.

The Narberth Reserves handed Bryn Mawr A. A. their first defeat of the season Saturday in a closely contested game on the former's home grounds, in the Main Line Amateur League, by the score of 5 to 4.

Up to Saturday Bryn Mawr had not been defeated, and they fought hard before they went down and gave up the ghost, they starting a rally in the eighth inning, which netted them four runs, but they could not overcome Narberth's lead.

The features of the game were the fielding of Dickie and Lacy for Narberth, with the hitting of Schaffer. Both pitchers were effective, holding the teams to a few hits.

### Editorial

Speaking of commencements, what a delightful affair our High School Commencement was. There was not a flaw in it. Most heartily do we congratulate the fair young women and manly boys, the faculty and the Board of Education.

#### TEN COMMANDMENT OF SPOTLESS TOWN.

1. Don't throw anything on the sidewalk or street. Find a rubbish can.
2. Don't tear up paper and scatter it anywhere.
3. Don't let any piles of ashes or rubbish stay in your backyard.
4. Don't mix ashes and garbage in the same can.
5. Don't fill the ash bin or garbage can too full.
6. Don't chalk the sidewalks, fences, buildings or pavements.
7. Don't deface trees, school furniture or any public property.
8. Don't forget that horses love banana skins. A banana skin isn't dangerous if it is inside a horse's stomach.
9. Don't do anything that will bring disgrace to the town where you live.
10. Don't expect your town to become clean and perfect all at once. It will become an ideal town only when everybody does something every day to help make things better.

Keep to the right and you will never be left.

#### MAIN LINE PHONE RATE NOT MUCH CHANGED.

Main Line toll rates are not seriously affected by the Bell Telephone Company's new increases in the monthly service rentals affecting the territory, but calls to Philadelphia from Ardmore remain at ten cents for the initial period of five minutes, and five cents for each additional three minutes or fraction. Calls from Ardmore to Wayne remain at five cents and from Ardmore to Llanerch at the same figure. Toll charges of five cents, heretofore permitting calls at that price to Norristown and other somewhat distant points, have been abolished and the old ten-cent charge has replaced it.

Local service as furnished in the city does not obtain on the Main Line. The only charge in most cases is for rental, call service being unlimited in certain prescribed areas. In the Ardmore exchange service is unlimited to Ardmore, Bryn Mawr, Merion, Narberth and Cynwyd—virtually all of Lower Merion Township. Bryn Mawr subscribers have unlimited service in calling Wayne, Bryn Mawr or Ardmore. Cynwyd and Merion have similar privileges in calling Ardmore, Cynwyd, Merion and Narberth. In Wayne the unlimited service includes Wayne and Berwyn exchanges.

The monthly rentals on which these services are based are of course increased. The single party business line increases from \$4 per month to \$4.80 and the single residence line from \$3 to \$3.60.

#### 10,743 MILES OF MOVIE FILM.

What the "Y" Furnished "Over There."

56,724,000 feet of movie film sent overseas monthly by Y. M. C. A.

A continuous ribbon of film (10,743 miles) from New York to Australia.

9,354 movie shows given monthly by the "Y."

\$1,000,000 each month admission cost to same shows in U. S. A., but "over there" they cost our men nothing.

Laid end on end, letter paper shipped overseas by Y. M. C. A. for free distribution would three times encircle the earth.

305,029,631 sheets sent overseas (March 1, 1919).

Our Government mailed the letters free.

152,776 baseball bats shipped overseas by "Y."

Placed end on end these bats would reach 534,716 feet in air, a height equal to 965 Washington Monuments.

640,420 baseballs given free (March 1, 1919). 103 years' supply for National and American Leagues (5 balls to a game).

In addition other free equipment included 74,474 footballs, 96,890 playground balls, 20,405 basketballs and 15,171 pairs boxing gloves.

\$1,630,207.76 was the cost of free "Y" athletic supplies overseas.

2,356 "Y's" were in operation for men of the A. E. F. and Allied Armies on November 11th, 1918.

Seven portable sawmills helped to provide lumber for 1,500 American "Y" huts in France.

Eighty railroad engines would be required to pull a train 26 miles long hauling lumber used.

#### PRACTICAL EXPERIMENT.

"I understand the boys quit playing poker at Crimson Gulch."

"Only for a while," answered Three Finger Sam. "A socialist came around and persuaded everybody to divide all the money in camp, even up all around. So we didn't dast to play poker 'cause we knew that in half an hour, or mebbe less, everything 'ud be jist as uneven as ever."—Washington Star.

#### A VICTIM OF APPETITE.

"You'll have to excuse me now for a while," said the officer just as his admirers were becoming settled to hear of his martial exploits. "I have been up in the first line trenches four weeks and have slept scarcely a week in all that time. I have been constantly on the move, constantly."

"Ah!" murmured an admirer, "Heroic Duties!"

"No," said the officer with a smile, "Hungry Cooties."—Judge.

#### IN AN ALABAMA COURT.

"Your honor," said a prosecuting attorney in an Alabama backwoods court. "The prisoner at the bar is charged with killing one of the best exemplary citizens of this county. Andrew D. Boyson. Your Honor was in every respect a model man. He was a beloved member of the church and was never known to be guilty of an unchristian act. Why, Your Honor, he was never known to bet on horses, play poker, drink whisky or use tobacco. He—"

"Hold on a minute," the Judge broke in. "You say he didn't bet on horses?" "That's what I say, Your Honor." "And he didn't play poker?" "Never was known to play a game." "And he never drank liquor?" "And he never drank a drop, Your Honor." "And he didn't chew tobacco?" "Never took a chew in his life." "Well, then," said the Judge, leaning back with a sigh. "I don't see what he wanted to live for. There wasn't anything in life for him. And I don't see why he ain't as well off dead as alive. Release the prisoner, Mr. Sheriff, and call the next case." P. A. McG.

#### "SAFETY FIRST."

A farmer and his wife had been sitting in a railroad station for some time. Finally the farmer walked up to the station agent and asked: "When's the next train north?"

The station agent replied: "In an hour."

The farmer then said: "When's the next train south?" And the station agent answered: "Fifty minutes."

Whereupon the farmer turned to his wife and said: "All right, Mirandy; we can get across the tracks." G. K.

#### HAD A HOLE IN IT.

A small boy had been given a penny with a hole in it. Handing it to a still smaller companion he said: "Jimmie, I dare you to go into the store and buy something with it."

Jimmie was quite willing. Entering boldly, he said: "I want a doughnut." And, taking it, he hastily presented the penny.

"Here," said the clerk, "this penny has a hole in it."

"So has the doughnut," announced Jimmy, triumphantly hold it up.

#### DODGIN' THE MANAGER.

Dodgin was the new manager of a biscuit concern. There was a workman there who liked to sneak off to a shed at about 3 in the afternoon and smoke a pipe and look over the afternoon paper for an hour or so. Well, one day as the workman sat reading and smoking in the shed Dodgin appeared. "Who are you?" Dodgin asked, sternly, frowning at the idle fellow. The workman frowned back. "Huh, who are you?" said he. "I'm Dodgin, the new manager," was the reply. At this the workman smiled. "So am I," he said heartily. "Come in and have a smoke."

#### ECLIPSE.

A Voice: "Mary, what are you doing out there?"

Mary: "I'm looking at the moon, mother."

#### A PARLOUS LIFE.

"Is the editor in?"

"He's somewhere about," said the office boy.

"Tell him a friend wants to see him."

"You live here, don't you?"

"No."

"All right, I'll tell him. He says he ain't got no friends in this town."—Birmingham Age-Herald.

called to a mighty task and to succeed you must stand this test of fire.

Stir up the gift of character. It is not easily attained; must be forged, is the result of all our yesterdays. Spiritual ideals are the only abiding things on earth. They alone outlast the catastrophes of war and outwear the decay of generations. Build your lives for eternity.

You cross the line to-night into a wonderful world, richly endowed for success. We expect great things of you. Go forth to win. The day is thine.

#### Awarding of Trophies.

On Monday morning the High School auditorium was the scene of a different type of meeting. The whole school assembled to see the awarding of the athletic honors. George Rose was the first to receive the prized "N." Sceldom has anyone here so unstintingly and trustworthily managed as many teams. The following boys received the large "N" for basketball:

John Dickie, Captain; Ernest Jenkins, Robert Ward, Tom Martin, Fred Harsch, Ed. Nolan, George Rose, Manager.

The girls who share honors with the boys are:

Elizabeth Harsch, Captain; Mary Chalfant, Jessie Ballingall, Florentina Mueller, Margaret Fowler, Elizabeth Mieson, Eleanor Eyre, Manager.

The baseball "N" was awarded to: John Dickie, Captain; Ernest Jenkins, Quiney Yowell, Benjamin Yowell, Ed. Nolan, Fred Harsch, Ed. Martin, John Schaffer, Robert Ward, George Rose, Manager.

The Freshman Class has the honor of the best class organized teams. Through the efforts of several boys these teams of "22" did great work. Much credit is due McCarter, Riley and Faile for their attention to details. The new class athletic monogram was awarded to:

Basketball Team—Herbert McCarter, Manager; Donald Faile, Captain; Ellis. Worth Riley, Fred Dodge, Louis Ricklin, Warren Speakman.

Baseball Team—James MacNiven, Captain; Louis Ricklin, Arthur Mieson, Warren Speakman, Tom McAuliffe, Donald Faile, Ellsworth Riley, Earl Tyson, Herbert McCarter, Manager.

At this time was announced the prize winning New School Song. The prize of \$5.00 was offered over a year ago by an interested member of the faculty. Several copies were submitted, but not accepted. The honor goes to Gertrude Ross. She worked not for a prize, but for a better school song. (Incidentally, the best products generally come in that way.) The Junior Class, of which Gertrude is a member, sang the song for the audience. Hats off to the class!

Another announcement of interest is that George Edward Stanley, a Sophomore of our school, carried off the highest honors of his class in architectural drawing at the School of Industrial Art, Philadelphia.

Junior and Sophomore Reception, Monday Evening, School Auditorium.

Something unique, this was. An honored custom is that of the Junior and Sophomore Class entertaining the faculty and Seniors. The faculty is lowered to the degree of Senior boys and girls and the Senior Class honored by the title of Narberth High School Faculty!

Thus it was quite fitting indeed that the faculty was requested to occupy the twenty seats on the platform and present an extemporaneous class day program to the new "faculty" and other spectators.

The principal was first crowned "King," and each member of the "class" rose to the occasion as best she could. Histories, prophecies, roasts, gifts, music—oh yes—everything was there but mean, cheap stuff!

It is certainly delightful to see faculty and student body so harmonious, so jolly. On Tuesday the students resumed their places of humble submission to the powers that be.

for by the officers of the Alumni Association. Ice cream generally goes a long way at entertaining. So do fresh Seniors, making extemporaneous speeches.

### Senior Chapel.

On Wednesday morning, the impressive Senior Chapel exercises were conducted. This half hour means much to the class and student body. All members of the class took some minor part in the devotions of the morning.

### Thursday Morning.

The last general assembly now took place. From the wee tots of the first grade, with Miss Wetherill once more with them, up to the Seniors, everybody was interested. This is the real farewell party. The whole faculty for the only time in the year occupy the platform. Not sad was the occasion, however, for the true significance of "Farewell" was presented. The singing was spirited. After various announcements came the remarks by the faculty members who are leaving us this year.

Miss Frieda Bausch, Department of Modern Languages, leaves to accept the position as head of the Romance Language Department at Shippensburg Normal School. Her remarks were typical of her life with us. A sincere, true ring, grateful to the school for what it has done to her, regretful that she could do no more. She has been with us only a year, but those who have been so fortunate as to know her well shall ever remember her kindly.

Miss Adeline W. Larzelere leaves after eight years of faithful service, to be "at home after September 1st at Warrington, Pa.," as Mrs. William J. Kelly.

Miss Larzelere began her work in the sixth grade, was transferred to eighth, and for the past three years has been head of the History Department of the High Schools. She is so well known in Narberth that no comment upon her work is necessary. Her life with us has spoken for itself. Always sincere, of strong and pleasing personality, and determined to right the wrong, Miss Larzelere won friend after friend. Now she leaves to do the only one thing she ever would do but teach in Narberth—Marry!

### Class Day.

On Tuesday afternoon was THE hour for the Seniors. The exercises were novel. Novel because they were not funny nor an attempt at fun. A more serious tone pervaded the atmosphere. But it was characteristic of the class. A glance at the class roll future activities will show that these boys and girls have had a purpose.

The audience made up in spirit, however. The arrival of Miss Boynton, who for weeks has been absent because of sickness, started the boys and girls applauding. This never died until after the storm that greeted Directors McCarter and Rose.

George Rose, President of the Class, in his pleasing manner presided. The program was as follows:

After singing the ivy song the class marched to the main entrance, where Thomas Martin delivered the ivy oration in the presence of the largest crowd that has thus far assembled on the school lawn. Then the class led the President and Secretary of the Board to the spot where it had placed its tribute of love and respect for the school. A granite and bronze sun dial of classic design, set in a neat conventional flower bed. The latter is to be perpetuated for five years with money deposited by the class. This substantial ornament is placed between the two buildings, directly in front of the office entrance. There it will give forth its message of cheer to many a friend of the Narberth School.

George Rose presented the gift and President McCarter accepted it in his usual good style.

Praise is due the class for its success with "The Owl." This is certainly a great get-up for a small class in a small

### Commencement Night.

An ideal night vied with many drawing cards to bring to the auditorium a large crowd. The decorations of pink rambblers and potted greens added to the general atmosphere of the happy night.

With due credit to all numbers on the program, undoubtedly the biggest hit was the music. The word High School Chorus on the program means every boy and girl about the seventh grade—no selected voices. In the boys' or girls' chorus there were no "picked groups." When this is born in mind the credit is all the greater to the boys and girls and their leader, Miss Cross.

The rosewood silver mounted baton, with the engraving "I. June Cross—June 19, 1919. In appreciation," and the floral tribute presented by the boys and girls and faculty, were but a tangible expression of a far deeper appreciation of Miss Cross.

President McCarter delivered the diplomas in his happy manner. Commencement is always as big a night for him as for the class. It is no little honor for five School Board men to bring to a close, through such trying times, so successful a school year. The class took the occasion to express its appreciation of the interest in its behalf during the past two years in particular, when there has been so great a drain upon the energies of busy men.

The Salutatory and Valedictory were brief and well rendered. In "The Owl" they will be found verbatim.

Dr. Warfield's address was clean cut, forceful and practical. Wilson College may well be glad to have him represent her.

After the benediction was pronounced by Rev. Chalfant, father of the valedictorian, Mary Chalfant, the usual social hour kept the auditorium echoing with laughter and cheery voices.

School will open on Monday, September 8th, 1919.

for by the officers of the Alumni Association. Ice cream generally goes a long way at entertaining. So do fresh seniors, making extemporaneous speeches.

#### Senior Chapel.

On Wednesday morning, the impressive Senior Chapel exercises were conducted. This half hour means much to the class and student body. All members of the class took some minor part in the devotions of the morning.

#### Thursday Morning.

The last general assembly now took place. From the wee tots of the first grade, with Miss Wetherill once more with them, up to the Seniors, everybody was interested. This is the real farewell party. The whole faculty for the only time in the year occupy the platform. Not sad was the occasion, however, for the true significance of "Farewell" was presented. The singing was spirited. After various announcements came the remarks by the faculty members who are leaving us this year.

Miss Frieda Bausch, Department of Modern Languages, leaves to accept the position as head of the Romance Language Department at Shippensburg Normal School. Her remarks were typical of her life with us. A sincere, true ring, grateful to the school for what it has done to her, regretful that she could do no more. She has been with us only a year, but those who have been so fortunate as to know her well shall ever remember her kindly.

Miss Adeline W. Larzelere leaves after eight years of faithful service, to be "at home after September 1st at Warrington, Pa.," as Mrs. William J. Kelly.

Miss Larzelere began her work in the sixth grade, was transferred to eighth, and for the past three years has been head of the History Department of the High Schools. She is so well known in Narberth that no comment upon her work is necessary. Her life with us has spoken for itself. Always sincere, of strong and pleasing personality, and determined to right the wrong, Miss Larzelere won friend after friend. Now she leaves to do the only one thing she ever would do but teach in Narberth—Marry!

#### Class Day.

On Tuesday afternoon was THE hour for the Seniors. The exercises were novel. Novel because they were not funny nor an attempt at fun. A more serious tone pervaded the atmosphere. But it was characteristic of the class. A glance at the class roll future activities will show that these boys and girls have had a purpose.

The audience made up in spirit, however. The arrival of Miss Boynton, who for weeks has been absent because of sickness, started the boys and girls applauding. This never died until after the storm that greeted Directors McCarter and Rose.

George Rose, President of the Class, in his pleasing manner presided. The program was as follows:

Class History.	
Wyclif Walton	Ralph Beatty
Class Will	
John Schaffer	Elizabeth Miesen

Mary Chalfant	Phil Livingston

After singing the ivy song the class marched to the main entrance, where Thomas Martin delivered the ivy oration in the presence of the largest crowd that has thus far assembled on the school lawn. Then the class led the President and Secretary of the Board to the spot where it had placed its tribute of love and respect for the school. A granite and bronze sun dial of classic design, set in a neat conventional flower bed. The latter is to be perpetuated for five years with money deposited by the class. This substantial ornament is placed between the two buildings, directly in front of the office entrance. There it will give forth its message of cheer to many a friend of the Narberth School.

George Rose presented the gift and President McCarter accepted it in his usual good style.

Praise is due the class for its success with "The Owl." This is certainly a great get-up for a small class in a small

#### Commencement Night.

An ideal night vied with many drawing cards to bring to the auditorium a large crowd. The decorations of pink ramblers and potted greens added to the general atmosphere of the happy night.

With due credit to all numbers on the program, undoubtedly the biggest hit was the music. The word High School Chorus on the program means every boy and girl about the seventh grade—no selected voices. In the boys' or girls' chorus there were no "picked groups." When this is born in mind the credit is all the greater to the boys and girls and their leader, Miss Cross.

The rosewood silver mounted baton, with the engraving "I. June Cross—June 19, 1919. In appreciation," and the floral tribute presented by the boys and girls and faculty, were but a tangible expression of a far deeper appreciation of Miss Cross.

President McCarter delivered the diplomas in his happy manner. Commencement is always as big a night for him as for the class. It is no little honor for five School Board men to bring to a close, through such trying times, so successful a school year. The class took the occasion to express its appreciation of the interest in its behalf during the past two years in particular, when there has been so great a drain upon the energies of busy men.

The Salutatory and Valedictory were brief and well rendered. In "The Owl" they will be found verbatim.

Dr. Warfield's address was clean cut, forceful and practical. Wilson College may well be glad to have him represent her.

After the benediction was pronounced by Rev. Chalfant, father of the valedictorian, Mary Chalfant, the usual social hour kept the auditorium echoing with laughter and cheery voices.

School will open on Monday, September 8th, 1919.
